The G2 Duo is the basis for welcoming your clients in a comfortable and safe manner. This treatment and examination couch can be moved fully downwards to chair height so that getting on or getting off has never been easier.

The long back section supports the sitting position, so that your client can be optimally involved in the treatment.

Standard features
- Two-section couch with adjustable back section
- Back section supported by gas spring
- Electric height adjustment with foot switch
- Cushions with 40 mm padding
- 15 cm clearance underneath frame for use with patient hoist (not compatible with 150 007)
- Non slip feet
- Cushions in a choice of 11 colours
